# Our Programs in Peru:

## EDUCATIONAL PROGRAMS

### TEACHING ASSISTANT PROGRAM

Become a teacher assistant and educate low income children in the city and rural communities in Cusco. Plan daily activities and English lessons. Don't forget to play with the kids on recess time!

### AFTER SCHOOL PROGRAM

Mentor children with their school assignments and show them how to keep a proper nutrition, hygiene and, presence. Teach values.

### SCHOOL FOR CHILDREN WITH DISABILITIES

Support and assist the teacher in class for children with different mental and physical disabilities. Help them with occupational and speech therapies.

## SOCIAL WORK PROGRAMS

### ORPHANAGE FOR GIRLS

Nurture and care abandoned girls from 6 to 13 years old. Help in their school homework and in daily activities such as cleaning and cooking to create a better environment to raise a child.

### ELDERLY HOME

Help plan therapeutic and fun activities such as dance lessons or physical exercises and art crafts.

### WOMEN'S SHELTER-DOMESTIC VIOLENCE

Work in shelters for adult and adolescents survivor mothers and their children.

### TRAINING WORKSHOPS FOR TEENAGE NEW LEADERS

Work with psychologists, social workers, professors and the local government to prevent teenage to stay away from gangs and drugs through leadership activities and workshops.

## SPORT PROGRAMS

### SOCCER PROGRAM

Practice children coaching as an assistant. Plan trainings, physical therapy, and take care of children while in a fun environment.

## HEALTH CARE PROGRAMS

### PUBLIC CLINIC SERVICE

Shadow doctors and nurses in areas such as obstetrics, childcare, birth delivery, general medicine and emergencies.

### PRIVATE CLINIC IN CUSCO/ MACHUPICCHU VILLAGE

Practice with doctors and nurses. Work in different small clinics in the city and indigenous communities in Machu Picchu.

### PRIVATE CLINIC SERVICE FOR UNDERPRIVILEGED PEOPLE

Shadow doctors in areas such as, traumatology, gastro, general medicine, and emergencies. Help patients with very low incomes.

## ANIMAL CARE PROJECTS

### WILD ANIMAL SHELTER

Care for rescued wild Andean animals from the black market, built and clean cages, cook and feed animals, guide visitors.

### LLAMA PROJECT (Private and community indigenous program)

Help in the care of different kind of llamas, prepare food, clean, guide visitors and participate in weaving sessions.

### DOG SHELTER
